

When they came for the Indians
you didn't speak up because you weren't an injun.

When they lynched the niggers
you didn't speak up because you were white.

When they arrested the Suffragettes
you didn't speak up because you weren't a woman.

When they bashed the queers
you didn't speak up because you were straight.

Then they came for you
and there was no one left to fight back.
